• Dralexotograms - Mitch Miller

- Dralexotograms like graphic novel
- stories → telling about the world & themselves in the world

• Julie Mehretu

Empirical Construction, Istanbul 2003

- memory, time, space

- "I think architecture reflects the machinations of politics."

• Mariela Castillo

- story represent by signs
- how parts connect with each other

"Everyday maps of everyday places can get pretty complicated when you draw them in the air but when you draw them on paper everything has a way of resolving itself into startling clarity."

- Grayson Perry

(fail again / fail better)

- Michael Dudok du Wit

The human heart:

why we tell stories and where we look for them.

- Paul Bush → Furniture Poetry

- Daniel Gray & Tom Brown
From Teeth
